## Version/Revision 2 - 12/06/23

We refers to TrackTech Media Group, you refers to the user.

### 1. What data we store

If you sign up to Creator Hub we store:

Indefinitely unless account is deleted through settings:

1. Your discord username and ID
2. Your bookmarks on the service and recently viewed items/assets

Temporary during the sign up process (deleted once complete):

1. Discord's OAuth2 flow to request a code which can be turned into an access token to access account information such as but not limited to the userId and username. This is different to a session token.

### 2. How we use your data

Your data is used exclusively for functionality purposes only. We do not sell, provide, or distribute said data to any third parties.

### 3. Security

Your data security is very important to us, and is required by law. While we use the latest security technology as standard across all of our products, as with all internet transmission, we cannot 100% guarantee complete security.

### 4. Governing Laws

Your data is protected under **The Data Protection Act (GDPR Implementation in the UK)**. This means your data is:

- used fairly, lawfully and transparently
- used for specified, explicit purposes
- used in a way that is adequate, relevant and limited to only what is necessary
- accurate and, where necessary, kept up to date
- kept for no longer than is necessary
- handled in a way that ensures appropriate security, including protection against unlawful or unauthorised processing, access, loss, destruction or damage
